RE: Commercial Window Installers, Inc.

From: Andy Siegfried, Superintendent

I am writing this reference letter Commercial Window Installer, Inc. who replaced all of our exterior windows last summer. Our school building is over 50,000 square feet with 26 classrooms all containing three double sets of windows. The work was A+ from demo, to installation and customer service. The new windows are fantastic. I would highly recommend Commercial Window Installer, Inc. for your next window replacement.

Sincerely,

Andy Siegfried, Superintendent
